- Face/Bath Soap

Donations Remain in the Communities Where Collected!

Thanks to our Sponsors! More information at thefamily.net or 800-236-9364

Help for the Homeless Hygiene Drive Feb. 14 - March 7

The Family Radio Network invites you to help stock the personal hygiene and cleaning supply shelves of your local crisis programs so that they can dedicate their limited financial resources to providing qualified personnel, safe housing, food, education, and counseling to those they serve. Our goal is to supply each program with a year's worth of product. You can help!

Note: Hygiene & cleaning items are not covered by FoodShare (Food Stamps).

Donate at Festival Foods or Walgreens by March 7!

Donations stay in the communities where they are collected.

Thanks to 900+ employers, churches, and schools throughout our listening areas for hosting collection boxes and helping their neighbors in need!

- **"After losing her job due to COVID, she'd been sick for a month and was still suffering acute sinus pain and hearing loss. Her eyes lit up when she saw the laundry detergent, saying 'Thank you! I haven't been able afford laundry soap so we've been using dish soap to clean our clothes.' She also was thrilled to get deodorant for herself and her teen daughter because they'd been scraping the inside of their tube to make it last. In spite of her poor health, she'll start a new job this week, 'Because it's what I have to do.'** - The Salvation Army
- **"A young man came to us who'd been living at the bus station. Obviously, he hadn't showered, had a chance to brush his teeth or even shave. And the dignity he got back - to actually be able to clean himself up - to shave, to brush his teeth...he got emotional. The impact is, when you feel better about yourself, you're able to make better choices. It's those little things that can change the entire trajectory of a life."** - Crisis Shelter
- **"Seeing the smiles on the faces of our students as we give them feminine hygiene products is heartwarming. Some of the girls had no access to these things and had to find other ways to handle that time of the month. They are now able to use proper feminine hygiene supplies and feel clean each day. Thank you!"** - School Social Worker

Needs List (* indicates most needed)
